APCO Electronics

Ever since we started in 2007, we have remained the same, keeping our competence and service quality impeccable and steadfast.

"Building a Stronger Future, Together,
with Uncompromising Quality"

Our Vision

Like the 'Old Reliable' we have maintained our strengths and dependability through the same level of service and devotion. What started as a vision of superlative enterprise solutions by our esteemed team that has been growing constantly adapting to newer technologies and industry requirements? When we sit back and look back at the decade, we find ourselves happy But definitely not overtly so, as we still find ourselves looking forward to newer adventures.

Our Future

APCO is recognized throughout the industry for constantly scaling the limits of today's technology so that our clients never have to choose between saving money and acquiring the capabilities they need to be Successful. We find solutions that enable our customers to do things they couldn't do before at a speed they never thought possible. We partner with industry giants to create the most efficient and cost-effective solutions optimized for their needs, and to deliver and support them all across Iraq.

Our Integrity

Our company has truly gained & maintained the confidence and trust of the first class international companies. Thus we have the pleasure to contact your good self, seeking for collaboration opportunities in our IRAQ market.

Our Services

We take this opportunity to introduce ourselves as leading Importers, Stockiest & Suppliers of premium international brands.

Representing our brands has added a lot to our experience. Today we have exceptional experience in:

- ELV Systems:
 - Conference Systems
 - Surveillance Systems
 - Public Address Systems
 - Access Control & BIS Systems
 - Fire Alarm Systems
 - Pro Sound Systems
 - Intrusion Detection Systems
- Musical Instruments
- Audio Visual Systems
- Pro Sound Systems
- Microphones and Audio Equipment
- Telephone Systems
- Technical Labs
- Design & Acoustical Systems
- LED Display and Scoreboard Systems
- Data Center Systems
- Synchronized Clock Systems
- BOSCH Thermotechnology

APCO
ELECTRONICS

The Brands

We offer only the highest quality of equipment and after sales service to our customers.

Our suppliers & manufacturers have always considered us as an integral part of their operations and success in this region and thus have not limited our sales to our primary markets.

Our company is associated with some of the major names in the fields listed above, such as:

- BOSCH Communication.
- BOSCH Security Systems.
- ELECTRO-VOICE (EV) for Audio Equipment.
- DYNACORD for Audio Equipment.
- YAMAHA Musical Instruments and audio-visual systems.
- SHURE Audio Equipment and Microphones.
- PROEL Stage Equipment, Accessories and Lighting.
- Alcatel Lucent of high-quality desk-phones and Data Systems.
- Sapling for synchronized clock systems.
- BOSCH Thermotechnology

Sister Companies

We (APCO / Tojaan / ETCO) have truly gained & maintained the confidence and trust of first - class international companies, so it is our pleasure to contact your good self for collaboration opportunities in our market.

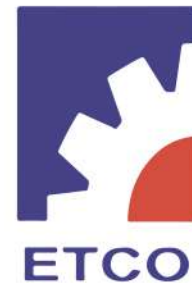

Tojaan for Electronic Trading DMCC

Located in Dubai, Tojaan for Electronic Trading DMCC is responsible for all the international duties related to exporting, as well as being the international interface for our prouder services that we are all giving to our customers.

ETCO General Trading

Representing:

- BOSCH Power Tools
- DWT for pipe tools, pipe beveling and pipe cold cutting for weld edge preparation.
- KARCHER for professional cleaning Equipment.
- Stanley for Hand Tools.
- BALMA for air compressors.

APCO Electronics Projects

Our company has implemented many projects through our well-trained engineering team on an annual basis by the companies we represent in Iraq, obtaining everyone's certificate of excellence in providing services on an ongoing basis.

We have the ability to design and implement all projects related to the following:

- Surveillance Systems.
- Access Control.
- Intrusion Detection.
- Fire Alarm.
- Conference and Translation Systems.
- Public Address Systems.
- Pro-Audio Systems.
- Switchboard Systems.
- Unified clock systems.
- Thermotechnology Systems.
- Spreading sound and reducing the phenomena of sound interference and noise, and processing sound with the latest modern technical methods through the use of programs that simulate reality to ensure a better spread of sound.

Scientific Laboratories:

Our company has implemented many projects by special engineering cadres who are able to carry out installation and maintenance works in addition to after-sales services for many types of systems in terms of supplying laboratory equipment and control devices, which belong to the higher education sector, as well as laboratory devices for the oil sector.

We are confident of our ability to compete with companies in this field because our engineers possess the competence gained by virtue of years of experience in the field of scientific and technical laboratories in several departments, such as physics, chemistry, mathematics, petroleum engineering, software engineering, computer science, environmental sciences, Surveying engineering, civil engineering, in addition to language laboratories.

Over the past years, we have had many joint ventures with many international companies such as:

- Phywe / German
- Angstrom Advanced Inc / American
- Edibon / Spanish
- Corlab / American
- Ofite / American
- Utest / Turkish
- Koehler / American
- Metrohm / Swiss
- Chauvin ARNOUX / French
- Fluke / American
- Good Will Instik / China
- Rigol / China

Some of our Scientific Laboratories Projects:

- University of Technology / Oil Technology Department (EDIBON)
- Nahrin University - Department of Chemical Engineering (CHAUVIN ARNOUX)
- Tikrit University - Surveying Engineering (UTEST)
- Tikrit University - Civil Engineering (UTEST)
- Mousel University - Faculty of Education / Physics Dept (PHYWE)
- Mousel University – Hamdanya College / Chemical Dept (PHYWE)
- University of Technology - Oil Technology (CORLAB)
- University of Kufa - Electronics Engineering (OFITE)
- The American University of Kurdistan (Duhok): Supply and install the technical laboratories from Matlab, 3 Rocks Technology, Edibon, Electron

Training Certificates

شهادات التدريب

CERTIFICATE

BOSCH Security Academy is pleased to present

Ahmed Attieh
Acer Palace Co. for Electronics (APCO)

has successfully completed the

Advanced RPS Programming (Online)
Training Course

certification on the level
Expert

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Ahmed Attieh
Acer Palace Co. for Electronics (APCO)

has successfully completed the

BOSCH Public Address PAVIRO Technical Specialist

certification on the level
Professional

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Ali Saad Shakir
Acer Palace Co. for Electronics (APCO)

has successfully completed the

Public Address PLENA

certification on the level
Professional

Valid from: 8/13/2019
Valid until: 8/13/2021

CONFIRMATION OF ATTENDANCE

Ali Saad Shakir
Acer Palace Co. for Electronics (APCO)

has attended the

Electro-Voice and Dynacord System Design & Commissioning Workshop

Training Course

Date: 5/7/2019

CERTIFICATE

This is to certify that

Aya Harder
APCO Electronics

has successfully completed the

Conference DICENTIS Technical

certification on the level
Expert

Valid from: 4/25/2019
Valid until: 4/25/2021

CERTIFICATE

This is to certify that

Ehab Hamad Ateeya Al-Ghabawi
Acer Palace Co. for Electronics (APCO)

has successfully completed the

Conference DICENTIS

certification on the level
Master

Valid from: 4/25/2019
Valid until: 4/25/2021

CERTIFICATE

This is to certify that

Haider Abdulrahman
Acer Palace Co. for Electronics (APCO)

has successfully completed the

AVENAR panel series

certification on the level
Professional

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Haider Abdulrahman
Acer Palace Co. for Electronics (APCO)

has successfully completed

Dynacord & Electro-Voice Install Sound Systems

certification on the level
Master

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Haider Abdulrahman
Acer Palace Co. for Electronics (APCO)

has successfully completed

Dynacord & Electro-Voice Rental Partner

certification on the level
Professional

Valid from: 8/13/2019
Valid until: 8/13/2021

certificate

This is to certify that

Haider Abdulrahman
Acer Palace Co. for Electronics (APCO)

has successfully completed

Dynacord Install Electronics

certification on the level
Expert

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Haider Abdulrahman
Acer Palace Co. for Electronics (APCO)

has successfully completed the

OMNEO Networking

certification on the level
Expert

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Hanma Bayram
Acer Palace Co. for Electronics (APCO)

has successfully completed the

OMNEO Networking

certification on the level
Expert

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Hanma Bayram
Acer Palace Co. for Electronics (APCO)

has successfully completed the

Public Address PRAESENSA

certification on the level
Expert

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Hanma Bayram
Acer Palace Co. for Electronics (APCO)

has successfully completed the

Public Address PRAESENSA

certification on the level
Master

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Hanma Bayram
Acer Palace Co. for Electronics (APCO)

has successfully completed the

Public Address PRAESENSA

certification on the level
Professional

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Issam Habeb Patraws Ilhwsainy
APCO Electronics

has successfully completed the

Public Address PAVIRO

certification on the level
Expert

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE

This is to certify that

Mohammed Saad
APCO Electronics

has successfully completed the

IRIS-Net Software

certification on the level
Expert

Valid from: 8/13/2019
Valid until: 8/13/2021

CERTIFICATE OF TRAINING

This certificate is presented to

Ehab Ateeya

for successful completion of

Asient Digital Advanced RF Protection Features

Valid from: 8/13/2019
Valid until: 8/13/2021
